

Create, Maintain, & Grow Your Website

Services:

Does your company have a productive web department?
Your Web Department partners with you to get your website ranked higher in the free, paid and local sections on search engine results.

Providing strategic marketing and design, **Your Web Department** is experienced and ready to help grow your business.

Services Include:

- Search Engine Marketing
- Domain Management
- Graphics & Layout Design
- Content Development
- Video Production
- Email Marketing
- Website Updates
- Social Media Consultations

Our Process:

In this age of advanced technology and almost limitless information, sometimes wires get crossed, and web-based business opportunities can be missed. You need someone to help you navigate through it all. Your Web Department is locally owned and operated. We will meet with you in person, and be readily available for all your ongoing needs.

We know business owners are busy. Most of our meetings are only 1(one) hour, once a month. This dedicated hour of collective, face-to-face work allows us to concentrate our undivided focus on optimizing your site. We are also flexible and will cater our meeting times to your specific needs -frequency and timeframe are up to you!

- 1 hour monthly meetings
- Monthly Objectives
- Detailed Invoicing

Why Choose Your Web Department?

- CONSISTENCY**
We pick up our phone. Customer service is our primary focus.
- EXPERIENCE**
Nearly a decade of success in the web industry with a wide range of clientele.
- AFFORDABILITY**
No contracts, monthly fee based on scheduled meetings, flexible payments on website redesigns.
- PASSION**
Problem Solving. Innovative Design. Client Success. These are what make us proud and our job worth it.

Nicole Rader – Owner of Your Web Department
